The day of the Lord will come like a thief.
 The heavens will disappear with a roar;
 the elements will be destroyed by fire,
 and the earth and everything in it will be
 laid bare. Since everything will be
 destroyed in this way, what kind of
 people ought you to be? You ought to live
 holy and godly lives.

2 Peter 3:10-11

A Message from Jo
"Please pray for me over the next few weeks. On Monday (the 6th) our performing arts team will be going on tour for two weeks bringing a production called 'You are special' to hundreds of children. (The flyer for it is my profile picture). The message of the show basically says that each individual is special because they are made by God. We will be performing the show at least 16 times in those two weeks which means that there will be masses of people receiving this message. I would just ask that the church would pray that the children would really be impacted by this message and that loads of hearts will be touched by this show. Also as a team we need lots of prayer as the production is very physical and involves a lot of heavy lifting...so it is going to be an extremely tiring and challenging two week tour and we really need God's strength. Thank You"
