From Jo

I hope you're all well!

I'm just emailing to let you know about a fundraising event that I am currently involved in. Due to the fact that a lot of us on my course at the moment are struggling financially, we have decided as a team to organise a sponsored walk to help raise moneys for our fees.

The walk will take place on the 5th February and we will be walking 26 miles...(yes, 26 miles.....it's a LONG one!) We will start and end in King's Heath (in Birmingham), passing through Cotteridge, Bearwood, Perry Barr, Erington and Acocks green, circling the centre of Birmingham. So it will basically take us all day to do. We are also going to use the opportunity to pray for the various needs of the people as we walk around the city of Birmingham. Obviously in order to do this we need to raise sponsorship, so if any of you feel like you can sponsor me that would be greatly appreciated. I know it can be a bit annoying sometimes getting these emails from people trying to get sponsorship for various things. However, even a euro or two would make ALL the difference...seriously.... it's amazing how much little bits add up! Thanks
