A Big Thank You From All At Tiglin

The guys and girls from Tiglin want to thank us for our generous hampers. One staff person commented that the girls were amazed that people they didn't know would buy them presents and they had a great time opening them. Two of the girls said they hadn't had presents to open since they were kids.

High Five Prayers... the praying continues...

You may remember a few months ago you submitted names of individuals you know who need Jesus, people we (Pastor Erich and Steve) could join you in praying over. We want you to know we continue to pray with you and would love to hear stories of how God might be opening doors. We also want to encourage you to continue praying. It may feel like nothing is happening, but remember GOD is at work.
